Become a Member of the Taunton Pilots Association

Thank you for becoming a member of the Taunton Pilots Association or for renewing your membership! Your tax-deductible financial support will be used in our mission to support general aviation, education and outreach at Taunton Airport and the surrounding areas.

Your donation will also help support the TPA as we have now purchased the KTAN required liability insurance which allows us to hold our breakfast meetings at Taunton. It is also important to update your contact information to ensure you receive our newsletter and other important updates!
